

Joann -

To whom it may concern,

4/9/24

I want to genuinely thank all of you
at CEO for accepting me and affording me
all of the items and services I received
when my time came up for repairs
and other services. Every person from
the people who called me to all of the
men who did their jobs were
wonderful, polite, informative and
kind to me, my family even my animals.
I feel like my house is renewed.

Gratefully yours,

P.S. God Bless

Joann
